

## A letter to Moms on Mother's Day

Dear Mom,

One day a year is not enough to convey the immense love and gratitude we have for you and for the love you have shown us. As we near the day which celebrates your “yes” to God’s call of being open to life, we want to thank you for everything you have taught us, all the sacrifices you have made for us, and the example of living a holy life which you provided for us. As a young woman, you made the choice to bring up your family in love and virtue and you showed this in dealing with us with patience and kindness. Your compassionate heart, your warm smile, and your all-encompassing embrace exude the love of God. Pope Francis said, “I like to contemplate the holiness present in the patience of God’s people: in those parents who raise their children with immense love”, and Mom, you did just this. You are truly a reflection of God’s love. So, thank you for being such an amazing mother!

Happy Mother’s Day, Mom!

We Love you!
