A Message from Mother Theresa Louisa

“Yá'át'ééh!” Greetings to you All in the Most Holy Name of Jesus Christ from our mission Home in Villa Guadalupe!

Just a little update from our Home since September 15 regarding the Covid-19 restrictions in our Home. God has been so good to us and we will never thank him enough for all the blessings, acts of kindness and love we witness every day.

Unfortunately, since last week we have had 2 positive cases of Covid-19 among our Staff and these individuals are quarantining at home. This means, another lockdown for our Home until we have 2 consecutive rounds of Covid-19 re-testing all negative among Residents, Staff and Little Sisters. Our Residents are once again having their meals in their rooms and following Mass via closed-circuit TV. Our Residents are very courageous and understand that these restrictions are for their safety. So far, we have one round of re-testing all negative and we are hoping for a second one to be likewise in order to resume group dining, group activities, and participation at Mass in our chapel.

Our grateful hearts keep on praising God each day for all the generosity and kindness of all our benefactors, families, and friends who continue to support our mission near the Elderly Poor. The Little Family of Saint Jeanne Jugan here in Villa Guadalupe thank with deep sincerity all the donors who contributed to the several much-needed projects of repair in our Home.

Please be assured of the continued support of our prayers. During this month of November, we remember in our daily prayers all our deceased Loved ones, especially all those who have the most need of our prayers. We invoke God's blessing upon you and all your families while confiding your intentions to the intercession of Our Lady of Guadalupe, Saint Joseph, and St. Jeanne Jugan. Once again, **“Ahéhee'.”**

Gratefully in Christ,
Sr. Theresa Louisa, l.s.p.
